

Gr. 6 Supply List - 2017-18

Dear Families,

To make shopping for school supplies a little easier for you this year, we have created our supply list early. These items should be purchased for the first day of school. If you happen to lose this list, it will be available on the school website. Students will be supplied and expected to use a NNCS school Homework Agenda in September. **If an additional agenda is needed due to your child losing it, there will be a fee.** Thank you for your help in getting your child ready for a successful year in 6th grade at the middle school.
